Reading Tips To Try!

*Research shows that reading just 20 minutes a day significantly increases a child's reading ability! Your support is essential to continue your child's growth during the summer! You can assist your child by;

1. Having your child read from books, magazines, & newspapers, etc.
2. Have family time to talk about books or current events.
3. Visit the library to borrow books or join the summer reading program.
4. Turn the captions on your your t.v. to promote reading.
5. Have them read to you and/or a sibling!
