Reading Tips To Try!

*Research shows that reading just 20 minutes a day significantly increases a child's reading ability!

Your support is essential to continue your child's growth during the summer! You can assist your child by;

- 1.Having your child read from books, magazines, & newspapers, etc.
- 2.Have family time to talk about books or current events.
- 3.Visit the library to borrow books or join the summer reading program.
- 4.Turn the captions on you're your t.v. to promote reading.

Ways to Stay Fit and Healthy!

1. Be active and try fun and safe activities outdoors: basketball, tennis, swimming, or walk your dog!
2. Eat sensible meals. Try to have at least one vegetable and fruit a day.
3. Stay hydrated! Drink lots of water! (Stay away
