Students must also have the following for games/trips: Plastic flip chart and lyre are needed as well. Practice at home at least three nights a week for a half hour. Black band shirts can be purchased in band class for \$25. I'm suggesting adult sizes. For ex: girls wearing child xl should order ladies small. Money and shirt size due ASAP. I'm proud to announce that we will march with The HHS band in the annual Christmas parade. More details to follow.

Be prepared: Reed players need extra reeds; brass players need oil in their cases. I don't sell reeds. Drummers need at least 2 pair of sticks (5A). Advanced band members will need to purchase the Essential Elements for band (2000) book 2. A student (1 inch) 3hole binder with plastic paper protectors and number 2 pencils are also required. Teamwork is very important. Positive work habits, respect, flexibility and constructive criticism are your keys to success. Please prepare assigned passages for assessment. For Example: warm up in Bb. Grades are weighted as follows: 100% performance fundamentals/scales (posted on door and wall), 100% participation and 100% assigned passages. All students are expected to meet The Next Generation Sunshine State Standards. Master lock (dial not key) is needed as well. Hudson High Band will combine with Crews Lakes Band in October, to perform pep music for the football game. Please drop students off at the Hudson band room around 6pm. "Leave instrument cases in the car". Student pick-up will be at the conclusion of the game (10:00pm, at the band room). There will be a feast in honor of the middle school musicians, during halftime.
