Raider collared shirts are needed for all field trips and public performances. They may be purchased in class for \$25. Please write checks out to CLMS. Cash is also accepted. I’m suggesting adult sizes. For ex: girls wearing child size xl should order ladies small. Money and shirt sizes are due ASAP.

Students need to come to class prepared. They will need the following: 2 working pencils and a 3-hole binder with plastic page protectors. Electronics are required to be stored in backpacks.

Teamwork is very important. Students need to have positive work habits, be flexible and have respect for each other and the teacher. Constructive criticism is the key to success.

Student’s grades are weighted as follows: Teamwork/performance fundamentals 100% Effort 100% and Assignments in class 100%. All students are expected to meet THE NEXT GENERATION SUNSHINE STATE STANDARDS.

I look forward to working with these awesome kids.
